Thanks to two generous people we now have 2 computers for the kids to play on.

Other Computer news!

We are in the middle of updating our website. A big thank you to Elaine who done this for always but unfortunately cannot continue this.

So if there is a parent, family member or friend who want to maintain our website and bring it to the next level that would be much appreciated. Come and see Caroline for more information.

A **huge thank you** to all parents, family and friends of our Pre-School for supporting us at our Christmas Fair! We also want to say THANK YOU, to all the local businesses, for supporting and by donating generously.

We raised £ 467 which is so wonderful in these times.

A part of the money is already spent on some new toys for the kids which will arrive hopefully before Christmas.

And there will be more to come.

For Pudsey Bear we raised £ 30.40
